

To top off our week, we have our whole school excursion to Echuca this Friday 14th of September. Following are a few details related to the day.

- It is suggested that students arrive at school by 7:20am.
- On arrival at school the students are to assemble in the amphitheatre.
- Students are required to wear full school uniform. Please supply a water bottle and plenty of food for your children.
- We will be travelling on 5 buses. The bus list is attached to the newsletter.
- Several families have notified us that their children will not be travelling home on the bus. Please ensure that you notify the teacher in charge of the bus on the day, so that numbers travelling home can be confirmed.
- The whole school will not be having lunch at the same time, so please ensure your child has their own food and drink for the day.
- A timetable of events is attached to the newsletter. Some groups may eat their lunch while on their paddle steamer cruise.
- Children are able to take a drink of water and a snack for the bus.
- No electronic devices are permitted.
- Due to the workshops we are attending, students are required to be in Grade levels. Parents travelling on the bus will be allocated to a class group in which they will have a small group of children to take around the port precinct and meet at designated times according to the grade teachers.
- Group lists will be handed out on the day.
- We expect to leave Echuca at 3pm and be home by 4.15pm.
- A map of the Port Precinct is attached for your information.
- **NO SPENDING MONEY**
