## “Striving for Excellence”

Values: Respectful, Trustworthy and Inclusive

Dear Parents and Families,

I hope you made the most of the extra-long weekend. It was a great chance for families to recharge the batteries and spend time with family and friends and perhaps even to back a winner in the Melbourne Cup! I had no such luck!

### GRADE 3 / 4 CAMP

Our campers arrived safely at Campaspe Downs and got stuck into their activities. It looks like heaps of fun.

### **HATS, SUNSCREEN AND WATER!**

As the weather begins to heat up, it is becoming even more important for the children to make sure they are wearing their hat in the playground. We also strongly encourage the children to apply sunscreen before school and before heading out to play. All students also need to bring a clearly labelled water bottle to school to keep them hydrated.

Have a great week and stay safe,

Regards Heather

### **GRADE 5/6 PIRIE**

In Reading, the Grade 5/6 students have been working on their ability to analyse strategies that authors use to influence their reader. Students have been working on an author study of Roald Dahl and analysing the way characters are portrayed with his word choice. Students are creating a flip book displaying key information about Roald Dahl, as well as their favourite Roald Dahl characters and stories.

In Writing, students have been learning about different forms of figurative language such as alliteration and idioms. Students have enjoyed reading a range of texts that display the use of these writing techniques within a story.

In Maths, students have been looking at the map of the Geelong Water Park and have investigated Cartesian Co-ordinates. The remainder of the week has been spent completing our On Demand and PAT tests.

### **GREATER SHEPPARTON CITY COUNCIL**

Council currently has almost 100 6-month positions available right now, thanks to the Working for Victoria program funded by the State Government.

These roles range from tree planting, sports ground maintenance, painting to building refurbishment and more.

We have had some feedback that the program isn't currently well-known in our small towns, so it would be great if you could please pass this information through your group when you get a chance.

More information, including step by step guides on how to apply for these roles (in seven languages if needed), can be found here: <https://greater-shepparton.com.au/council/employment>

Jobseekers will be asked to sign up with the Sidekicker platform. Once they are signed up, we now have a streamlined process where Council and

Sidekicker work together to find a suitable Council role for the applicant.

If you have residents looking for work who have previously had trouble with Sidekicker, or haven't tried Sidekicker yet but want some guidance, please feel free to just send through contact details to [mick.mattingly@shepparton.vic.gov.au](mailto:mick.mattingly@shepparton.vic.gov.au), and we can follow up and get the process moving.

### **GOULBURN VALLEY LIBRARY**

It is with great excitement that we announce that all our libraries will be open to the public next Tuesday 27th October from 10am. The Premier has eased restrictions and we can now re-open with a maximum of 10 patrons in our library spaces at any time. The Mobile Library will also commence operations from Wednesday 28th October with a modified schedule.

At this stage we will not be offering in-house story times, programs, or use of our meeting areas until we are sure we can manage the physical distancing and hygiene requirements needed to ensure public safety.

Patrons will be expected to maintain physical distancing and personal hand hygiene, and mask-wearing will be mandatory. Patrons will also need to provide contact tracing information and are asked to be patient if we have reached our capacity limit and they need to wait until allowed to enter.

All returned books are cleaned before going back on the shelf and in the first step to increasing services we will be encouraging people to minimize the time spent in the library. Click and Collect, borrow and go home will be our mantra!

Our initial opening hours and days of operation will vary from our previous normal hours and are reduced to ensure adequate time for staff to sanitise the library."

Patrons are still encouraged to make use of our on-line services that have taken off while we have been closed! We have a huge range of FREE eBooks, eAudiobooks and eMagazines for adults and kids. People can join online and get access straight away. We also offer video streaming of movies and documentaries through our Kanopy streaming service. Why pay for Netflix?
