### PRINCIPAL'S REPORT

Dear Parents,

### CURRICULUM DAY

Last Friday staff spent a very productive day preparing the Pre Review Self Evaluation document. Numerous data sets provided information to feed into the report, including parents and student surveys.

### AROUND THE ROOMS

## KITCHEN GARDEN PROGRAM

We have some excited and enthusiastic grade 2 children eager to help out in the garden and learn some new cooking skills this year. The program kicked off last week, so far the children are working at getting the soil in the garden healthy and ready to grow some quality veggies. Thank you to the Jeffers family for the donation of manure.

Yesterday we were busy working the soil, watering and planting a crop of garlic. We also planted some kale seedlings kindly donated by Kelly Rooney.

We are looking for parent or grandparent helpers on a Tuesday afternoon for the program. If you can help, please have a chat with Craig Thompson.

Any other donations of seeds, seedlings or other garden goodies are gratefully received.

Happy digging.

Mel Hall

### Children crossing

When the flags are displayed at a children's crossing, you must stop for pedestrians who are waiting to cross or who have started crossing. You must remain stopped until the crossing is clear. These rules apply even if there is no crossing supervisor.
