“Striving for Excellence”

Values: Respectful, Trustworthy and Inclusive

PARENTS & STUDENTS,

Firstly, thank you to our school community for your flexibility during this uncertain time. Our staff have been amazing this week. In the space of one day, they have prepared resources for your children to return to remote and flexible learning. As you are aware, schools in Melbourne and the Mitchell Shire had a week to complete this task.

CURRICULUM DAY

On Monday 24th August there will be no onsite supervision for students as it is a Curriculum Day for staff.

UPDATED OPERATIONAL GUIDELINES

We are still awaiting the updated Guidelines. I will continue to keep you informed. There has been some talk of temperature checks for students and staff who are onsite. Hopefully, this will be confirmed today in our Network Meeting.

For the time being, all request for onsite supervision can be done on the form sent out this week. Signed requests are to be emailed to the school by 12 midday on Thursday for the following week.

To ensure the health and wellbeing of all students and staff during supervised study we request that if your child is unwell they stay home. If there is a suspected or confirmed COVID-19 diagnosis in your family, please advise the school immediately via email or phone.

NEW READING MATERIAL

So that we can continue to engage students in the reading process, we have purchased some additional books based on student interest and reading levels.
